Rework requests â example, not a grant
EXAMPLE ONLY. This is a blank. It is not legal advice and it is not signed.
Parties: [Artist] and Tuneable Community Interest Company
Work: [Title] by [Artist]
The artist keeps the copyright. The grant is non-exclusive.

The artist is willing to receive a request for one sample,
remix, or cover. The request states the use, the credit,
the share of tips on the new work, and whether that new work
may also be released off Tuneable.
Nothing is cleared until the artist approves that one request.
Approval does not include a sync or advert.
